# A BRIEF HISTORY

Gretsa University is a progressive University committed to offering quality and relevant higher education. The University is duly registered and accredited by the Commission for University Education (CUE). The University offers, Degree, Diploma and Certificate programmes in Business; Computer Science; Hospitality Management; Education; Health Sciences; Technology and Agricultural Management.

As at December 2023, the university will have successfully held 14 graduations with over 9,500 graduands having been conferred with Degrees and awarded Certificates and Diplomas. These graduates play a critical role in the socioeconomic development of Kenya in particular and the rest of the world.

In pursuit of its vision of being a professional and quality driven institution, the University has continued to expand its facilities and develop new and relevant academic programmes that are designed to meet the needs of the society. Gretsa University is positioned to play its expected role as a reputable institution of higher learning.

The University's academic programmes integrate academic study with the challenges of the real-world. Our curricula seek to produce graduates who are well informed, open minded, intellectually curious, analytical and flexible in their approach to new information and intellectual challenges and who are capable of organizing ideas and expressing them persuasively. Our graduates are knowledgeable about relevant technologies, job creators, concerned about societal issues and committed to learning as a continuing lifelong experience.
